The Hague, Nov. 3.—The Dutch
Government has ordered a blockade of
Venezuelan ports. The blockade of
La Guayra, the port of Caracas, is
in effect. The Government will be
firm in the prosecution of its plans
to bring President Castro to his
sense. Great excitement is said to
prevail at all the Venezuelan ports.

RIVER RAPIDLY RISING
The Ground is Caving Under the
Business Section of Pine
Bluff, Ark.
Pine Bluff, Ark., Nov. 3.—Owing to
a sudden rise of the Arkansas river
at this point, the high banks in front
of the city are caving rapidly.
The heart of the business section is
threatened. The rear foundations of
the courthouse are caving in, and
county officials are moving out their
records in a hurry.
Many people worked all day Sunday
on the banks. It is feared that dam-
age will ensue to the amount of hun-
dreds of thousands of dollars.

IF YOU KNEW
The merits of the Texas Wonder, you
would never suffer from kidney, blad-
der or rheumatic trouble. \$1 bottle two
months' treatment. Sold by druggists

Louis, Missouri.

HAD THE TIME OF HIS LIFE
Tacoma, Wash., Nov. 3.—William V.
Campbell, an Alaskan prospector, has
returned here after squandering \$150-
000 in a single month in Pacific coast
cities. Campbell had spent twelve
years in Alaska, and recently sold a
group of claims for \$150,000. Then he
came out to enjoy himself. He took
several friends with him, and his hotel
bills were \$200 a day. He blew in
most of his money in gambling.

A PAYING INVESTMENT
Mr. John White, of 38 Highland
Ave., Houlton, Maine, says: "Have
been troubled with a cough every win-
ter and spring. Last winter I tried
many advertised remedies, but the
cough continued until I bought a 50c.
bottle of Dr. King's New Discovery;
before that was half gone, the cough
was all gone. This winter the same
happy result has followed; a few
days more and the annual
cough. I am now convinced that Dr.
King's New Discovery is the best of
all cough and lung remedies." Sold
under guarantee at all drug stores,
50c. and \$1.00. Trial bottle free.

TWO GENTLEMANLY THIEVES
Sent Back Valued Heirlooms and
Keepsakes, But Their Victims
Are Ungrateful
Morristown, N. J., Nov. 3.—"Will
send you back by express any heir-
looms or keepsakes you wish to re-
tain," was the promise made by the
gentlemanly burglars to the Misses
Perkins while engaged in robbing
their house on Fourth street.
True to their promise, there was re-
ceived at the Perkins house yesterday
a package from the Wells-Fargo Ex-
press Company which had been pre-
paid from New York. In it were a
gold locket containing locks of hair of
the grandfather and grandmother of
the Misses Perkins, their mother's
wedding ring, three sets of rosary
beads and about fifty old coins.
The family was dumfounded to re-
ceive the articles, and promptly com-
municated with the police. An effort
will be made to discover the identity
of the sender by the aid of the express
company.

HEXAMETHYLENETETRAMINE
The above is the name of a German
chemical, which is one of the many
valuable ingredients of Foley's Kidney
Remedy. Hexamethylenetetramine is
recognized by medical text books and
authorities as a uric acid solvent and
antiseptic for the urine. Take Foley's
Kidney Remedy as soon as you notice
any irregularities, and avoid a serious
malady. Sold by all druggists.

LAUNCH OF THE MIAMI
The Big Dredge Which Will Dig for
the State in the Everglades
Manager Ernest Kreher of the
Tampa Foundry and Machine company
this morning telegraphed to Gov-
ernor Broward that everything will
be in readiness for the launching of
the dredge Miami next Thursday and
has received a reply from the governor
stating that he will be present to at-
tend the ceremonies.
The dredge, which will be known as
the Miami, is the first of the state
dredges which the company is con-
structing for use in the drainage of
the Everglades to be completed and
measures 80 feet in length with 40
feet beam, her draught at the bows
being 7 feet and at the stern 5 feet

SHE IS SOMEWHAT SPEEDY
England's New Battleship Can Out-
steam Anything of Her
Class Afloat
London, Nov. 2.—Englishmen are
justly proud of the new battleship
cruiser, the Infexible, which broke all
speed records for armored vessels
during her recent speed trials, steam-
ing 28 knots an hour.
Like the Indomitable now in the
North Division of the Home Fleet,
and the Invincible, approaching com-
pletion at Elswick on the Tyne, the
Infexible displaces 17,250 tons of wa-
ter, mounts eight 12-inch guns of the
new type, besides sixteen of the im-
proved 4-inch guns and has an arm-
ored belt 7 inches thick amidships,
reinforced by 3-inch deck. The three
ships are all, of course, turbine driven
and have water tube boilers.
By the end of the present financial
year, it is hoped that the British fleet
will contain ready for any emergency
a squadron of four Dreadnaughts, be-
sides the three Invincibles. It will
then be at the zenith of its power, and
under no other flag will there be a
single similar vessel completed at that
date. But there are thirty-five ships
of the Dreadnaught type building or
ordered for Germany, France and
Italy, Brazil, Russia, Japan and the
United States.

THEY TAKE THE KINKS OUT
"I have used Dr. King's New Life
Pills for many years, with increasing
satisfaction. They take the kinks out
of stomach, liver and bowels, without
fuss or friction," says N. H. Brown, of
Pittsfield, Vt. Guaranteed satisfac-
tory at all drug stores. 25c.

REELFOOT SECTION QUIET
Tennessee Night Riders Find Out
They Are Up Against the
Real Thing
Camp Nemo, Tenn., Nov. 2.—Every-
thing in the Reelfoot Lake section
has quieted down, and the newspaper
men are preparing to desert this sec-
tion of the world. They are going to
Union City. The telegraph wire will
probably be discontinued.
Since the confession of one of the
members of the gang who killed Cap-
tain Rankin, this section has been
crowded with curiosity seekers.
The sentinels at the camp have been
given an order to call "halt" three
times to persons entering the lines.
If the order is not obeyed a shot will
be fired over the person's head, and if
that does not cause the advancing
party to stop, the next shot will be
sent to kill.

A HAIR'S BREADTH ESCAPE
Do you know that every time you
have a cough or cold and let it run
on thinking it will just cure itself
you are inviting pneumonia, consump-
tion or some other pulmonary trouble.
Don't risk it. Put your lungs back in
perfect health and stop that cough
with Ballard's Horehound Syrup.
Price 25c, 50c and \$1.00 per bottle.
Sold by Anti-Monopoly Drugstore.

A FLORIDIAN HAS
A RARE OLD BILL
Jacksonville, Fla., Nov. 3.—C. S.
Beerbower, a well-known citizen of
this city, has what is probably the
rarest money in the South. Finan-
ciers who have seen it declare that it
is the first that they have ever seen.
Mr. Beerbower's possession is a seven-
dollar bill, printed by Hall & Sell-
ers, on Sept. 28, 1778, under authority
of the Philadelphia Congress. The bill
is signed by R. Cather and W. S.
Purdy, and is about 3x4 inches. Mr.
Beerbower bought this rare money in
the effects of an old man who came
to Florida and lived near Macclenny,
where he died. Those having charge
of the deceased man's affairs little
realized its value and Mr. Beerbower
purchased it for a small amount. He
has had several offers for this bill,
but none have been sufficiently tempt-
ing to cause him to part with it.
